Press Note.

Dated 9th September 1949.

A joint meeting of the Boards of Directors of the Mysore gar Co. (Mandya) and of the Shimoga Sugar Co. (in forma-ı) was held in the Chambers of the Hon. Minister for ıance and Industries at 3 P.M. on Thursday the 8th Septem-1949 to consider the question of installation of the imoga Sugar Factory at Shimoga. The Hon. Minister Revenue and Railways was also present.

The discussion lasted for about two hours. In view of the fact that the acreage under sugarcane is likely to increase as a result of Thunga and Lakkavalli Projects that are in progress, it was decided that the proposal to have another Sugar Factory at Shimoga should be pushed through. The Directors of the Mandya Company who are in full sympathy with the scheme of starting a Sugar Factory at Shimoga, have agreed to spare the extra Plant, Equipment and parts that are now available with them to the new Factory to be started at Shimoga. The Mysore Sugar Company was willing to subscribe a decent portion of the capital required for the new concern. It was thought that it was very advantageous to have the experience and the technical knowledge of sugar manufacture for this new venture. To finalise the arrangements that are to be made in this connection, it was agreed that a small committee be constituted from the two Boards of the Factories.

A meeting of these two Boards (Committee) is proposed to held at Shimoga in the very near future, to select the site the Factory and also to work up other details connected h it. Finally, the Board of the Mandya Factory has been uested to extend their full co-operation in the matter of rting the Factory at Shimoga, and finalising the entire eme.
